KSMB is a city initiative that was formed last year, and our focus areas are city wide beautification, waste reduction and litter prevention.

"One of KSMB's goals is to bring awareness to our citizens and visitors. We hope to accomplish this goal at this entertaining concert series," Powdrill said.

The Fall Concert Series is made possible by Tres Hefter of Tall Man Records who was awarded a mini-grant by the City of San Marcos Arts Commission. The mini-grant funds were awarded

to the City by the Texas Commission on the Arts. Other concert sponsors include The San Marcos Chamber of Commerce Green Living Expo and Full Circle Salon. Finally, Tantra Coffee House will be the exclusive drink sponsor, and a local food vendor will be available each night.
